

Over Housed Agreement

(Addendum to Tenancy Agreement)

1. By signing this addendum, the tenant acknowledges that they are renting the unit located at <<address>> which has more bedrooms than the household requires.
2. Where there is demand for the unit, Manitoba Housing may require the tenant to move to another unit. Manitoba Housing will work with the tenant at that time to determine appropriate areas of choice.
3. Manitoba Housing will make every reasonable effort to make available to the tenant a rental unit for which the tenant is eligible in the vicinity of the rental unit that the tenant occupies although the tenant acknowledges that this may not always be possible.
4. Manitoba Housing will provide a minimum of three (3) months notice for the move. Tenants will be provided with one unit offer only. Where the unit offer is refused, the subsidy will be cancelled.
5. Tenants with school aged dependents attending a school reasonably accessible to the unit will not be required to move until the end of the school year.
6. Manitoba Housing will follow The Residential Tenancies Act when dealing with tenant moves.

The above noted points have been explained to me and I agree to accept the unit noted above.
